

STUDENT AND COMMUNITY ENGAGEMENT EVALUATION

In the 2013 legislative session, House Bill 5 (HB5) was adopted. As part of HB5, the *community engagement* component requires for a school district to showcase areas of excellence and success as well as recognize areas in need of improvement.

The statute requires each district to evaluate and designate a performance rating for the district and each of its campuses in the district based on criteria set by a local committee ([TEC 39.0545](#)). The law requires that each district and each campus be assigned a rating of exemplary, recognized, acceptable, or unacceptable. The district and campus performance ratings must be reported annually to TEA through PEIMS, and made publicly available by August 8 of each year beginning with the 2013–14 school year. TEA recognizes Lumin Education as a district with one campus, thus only one set of findings is required to be reported.

Lumin Education formed a committee to determine the criteria to be evaluated in each of the nine required categories. The Student and Community Engagement Evaluation was conducted and the findings are listed below.

Category	Rating
Fine Arts	Recognized
Wellness and Physical Education	Exemplary
Community and Parent Involvement	Recognized
21st Century Workforce Development	Recognized
Second Language Acquisition	Exemplary
Digital Learning Environment	Recognized
Educational Programs for Gifted and Talented	N/A
