

LUMIN HEALTH PROTOCOLS

All staff that are on campus should follow these CDC recommended practices:

- **Do not come to campus if you are sick or have been in contact with anyone that is sick or is suspected of having the Coronavirus.**
- Use a tissue or anti-bacterial wipes on high touch areas such as door knobs, copiers, telephone handsets, copier, keypad and faucets. Use one wipe per surface and immediately dispose of it.
- Whatever you touch while you are in, please wipe down when you leave.
- Wash your hands often with soap and water for at least 20 seconds (Happy Birthday or ABC song 2 times), especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
 - If you are not able to wash your hands with soap, use hand sanitizer, rubbing thoroughly between fingers and front and back of hands
- Use tissue to cover your mouth when you cough or sneeze and immediately dispose of it.
- Keep at least 6 feet distance from others that are on campus. Avoid physical contact (hugging, hand-shaking)
- Use the speaker on your phone, face time, Zoom, or other methods to attend meetings.
- Do not bring any children on campus.
- Limit group meetings to 10 people.
