

July 16, 2020

Dear Parents,

Thank you for your patience as we prepare for the new school year. Our current plans for Lumin Education's School Re-Opening (Charter School) are:

- **Lumin will start school on August 13 with At-Home Distance Learning for all students. We will stay in Distance Learning for the first three weeks of school.**
- If your child does not have access to a device the school will lend you one.
- We are aiming to be open in-person on Thursday, September 3 for those parents who choose the on-site learning option. This could change pending more restrictive guidance from the Governor or Dallas County.

Our priority is the safety of our students, staff, and families. Be assured, Lumin is working diligently on our 2020 -2021 re-opening plans and will share them no later than July 24. We continue to gather input from parents, staff, TEA, CDC, the Governor's office, and other schools. We have been receiving your questions and plan to provide answers on or before July 24. If you have questions which you haven't asked yet, please feel free to email Jackie.Montoya@LuminEducation.org and she will add them to our list.

Please see our prior communication for information about our On-site learning and At-Home Distance learning plans (which will start September 3rd). It is on the website under the Resources/Parent Tab or under you campus tab.

We hope you are well and we miss seeing you. Lumin is eager to get back to school in a safe way and look forward to keeping you informed about re-opening plans.
