

Dear Parents,

In reflecting on the current plan for re-opening the campus on September 21 we have decided to create a smoother transition for children by staggering the entry dates. Please find the revised re-opening schedule below.

At-School New Dates

- September 21 4 and 5 year olds return to campus
- September 24 3 year olds return to campus
- September 25 3rd graders return to campus
- September 28 All At School students are back on campus

Students with the At-School program will continue with at-home learning with their homeroom teacher until the child's transition to campus.

At-Home New Dates

- September 21 At-Home Learning Option PRIMARY students will begin with new At-Home teachers
- September 28 At-Home Learning Option ELEMENTARY students will begin with new At-Home teachers

For some of you this may disrupt the plans you have made and we sincerely apologize for that. We did not come to this decision lightly and are continually considering what is best for students, families, and staff.

Approximately 50% of our school families have chosen the At-Home learning option. Due to this, we will move two of our current teachers to At-Home learning. At-School parents will be contacted by Monday if your child is impacted by this move. We are in the process of scheduling meetings for At-Home parents to meet their new teachers.

Thank you for your support and patience as we navigate this difficult time.
